

## EMAIL DOMAIN &amp; IP AUTHENTICATION

BoardVitals is a high-quality, easy-to-use exam resource available to use anytime, anywhere via phone, tablet, or computer.

## HOW TO REGISTER FOR BOARDVITALS

- 1 Visit [www.boardvitals.com/users/sign up](http://www.boardvitals.com/users/sign up)
- 2 If you are onsite for your first login, register using your personal or institutional email address and you will automatically be logged in.
- 3 If you are accessing BoardVitals remotely, you must use your organizational or institutional email address for registration; the system will send a validation e-mail.
- 4 Continue to use BoardVitals anytime, anywhere at [www.boardvitals.com](http://www.boardvitals.com) after registration or ask your Librarian or Program Director for more details.

## KEY FEATURES

**In-App and Online Features** automatically sync between devices, so students and faculty can access the platform wherever and whenever it's most convenient.

**High-yield, Vetted Questions** with detailed answer explanations from medical publishers, top faculty, and a network of 500+ leading specialists.

**Monitor Student Usage and Performance** as a proactive remediation tool or data collection resource relating to ACGME Milestones.

**Administrative Tools** to create customized assignments, send broad diagnostic exams, or hone-in on specific content areas.

**Mark Questions** or send entire categories of questions to students to highlight a particular concept in need of review or reference point for in-class discussions.
