The most comprehensive source of drug compatibility and stability information!

The Handbook on Injectable Drugs is designed for use as a professional reference and guide to the literature on the clinical pharmaceuticals of parenteral medications.

Pharmacists everywhere agree this is the 'gold standard'!

QUOTED

"ASHP's Handbook on Injectable Drugs is the gold standard reference for compatibility and stability of injectable drugs. It's a 'must have' for academia, drug information centers, hospitals, and long-term care facilities. This is a valuable addition to the library of any adult critical care nurse."

Katie J. Suda, PharmID
