### Overview:

The resident-to-resident insider's guide to ABSITE success.

Written by residents from top surgery programs who aced the American Board of Surgery In-Training Exam, and edited by Tao Le, author of First Aid for the USMLE Step 1 and numerous other First Aid titles, First Aid for the ABSITE covers all the must-know basic science AND clinical surgery topics in one total study package.

Updated to reflect the newly reorganized ABSITE, this unique guide features high-yield information, illustrations, mnemonics and clinical images great for initial review or last-minute cramming.
