

Additional support for Faculty – Faculty area

1

A dedicated faculty area can be found on the main Human Anatomy and Physiology home page.

Click on the Faculty area link in the top menu bar, and sign in using your own unique faculty login.

2

The faculty area has been designed to give you useful teaching aids, including images, animations, case studies, clinical conditions, and quizzes, in an easy to export format to supplement your teaching.

6

The Options page allows Faculty to set whether Case Studies and Quizzes are visible to students.

3

The section header includes information about the content: file type, dimensions, file size and copyright.

4

Click on the module title to jump to the appropriate area of the content list.

5

For the items in the IMAGES content lists, hovering over the title will reveal an image preview thumbnail.

Click on the content title to download the asset.
