## DOWNLOADING THE APPS

1

Log into the **STAT!Ref** portal and navigate to Primal Pictures.

Select **3D Real-time** and the region of your choice.

2

If the app is not already installed you will be redirected to the Google Play Store. Select **INSTALL** to download the app.

Remember there are 11 individual apps to download in the series.

You can also find the apps by searching for **PRIMAL 3D RT** directly in the Google Play store.
